## KeySafe Pro Portable, Sturdy metal design with protective rubber & pushbuttons

001352

### Portable 3 key storage box with shackle

The KeySafe Pro Portable provides convenient, managed access to stored keys. It is especially suited for temporary key holding, for padlock applications and for alternative use as keyless padlock. It can be used to allow quick and easy access to homes, offices, businesses or any other asset that requires entry through one or more keys. The code can be changed anytime for added security. The KeySafe Pro Portable has a durable rubber weather cover to prevent water intrusion and to hide from obvious recognition.
